Coverage Details

Automobile Service Risks written on Commercial General Liability and Commercial Property forms and

- ✘ The liability exposure for insureds and insured's employees driving customers' vehicles (non-owned automobile coverage)
- ✘ The property exposure for physical damage to customers' vehicles in the care, custody or control of the insured at the insured's premises
- ✘ The property exposure for physical damage to customers' vehicles while being transported with the insured's tow truck

Class Specifics

- ✘ Repair Shops - operations primarily engaged in the servicing/repair of automobiles, vans, light trucks, SUVs, and pickups. This includes shops that do body, fender, paint work, and towing.
- ✘ Valet Service Operations that are "true" valet businesses. "True" valet operations have the valet service as their main operation.
- ✘ Automobile Quick Lubrication Services
- ✘ Automobile Repair with additional exposures such as Gasoline Sales, Mini-Mart, Auto Accessories Stores, Car Washes
