

## Lawyers' Professional Liability

Lawyers professional liability insurance helps protect legal professionals against claims of negligence, errors or omissions that cause financial harm to another person or party. As a legal professional while you may be committed to your clients, they may not always return the favor. Whether a small or mid-sized law firm, your business has potential exposures as client expectations are increasing & malpractice lawsuits are becoming more common. Your business and financial security may depend on how well protected your firm is from a lawsuit or claim.

## Lawyers Professional Liability Coverage

Coverage is specifically designed to offer protection to legal professionals for the array of emerging exposures they face and can help protect your firm against losses resulting from negligence, errors and omissions in the performance of professional services. This errors and omissions policy can be tailored to fit your business needs.
