

# Museum Protection Program

## A Sculpted Protection Plan that will withstand the Changing Times

### Designed to Protect

From small, local museums to metropolitan institutions, Berkley Asset Protection offers a flexible, comprehensive Museum Protection Program for collections of all sizes.

Available in all 50 states, Berkley's unique blend of coverages includes property and liability protection critical to every cultural institution, along with specialized options that permit you to tailor the policy to your specific needs.

In addition to flexible coverage options, you receive easy access to loss control services, personal attention, and responsive claim service. We understand the priceless nature of your fine art pieces, including their historical relevance and importance.
