

A Beautiful Pairing begins with our Precious Collections Program

Unique coverage for all types of collections

Collections are as unique as their Collectors, so why trust your matchless collection to traditional insurance coverage which doesn't reflect the value of these special items?

At Berkley Asset Protection, providing this coverage isn't just a sideline or hobby. We truly understand the labor of love you've put into researching, creating and caring for your Precious Collection. Therefore, we offer broad insurance solutions, including All Risk Coverage and mysterious disappearance, for the variety of risks associated with your investment.

We can write in all 50 states as well as internationally.
