# Here's what Bluewater offers:

- **Value protection** – Insure the value of your collection the proper way. You can use blanket coverage to protect an entire collection, itemize valuable pieces or do both.
- **Additional coverage options** – Earthquake and flood to secure your collection.
- **Knowledgeable service** – We're more than an insurance company, we're here as a resource for your collecting journey.
- **Newly acquired property** – Don't worry, you're covered! You have 90 days to add that inspiring landscape by Frederic Church to your existing policy.
- **Mysterious disappearance** – Your homeowner policy exclude coverage for lost or misplaced items (sometimes referred to as "mysterious disappearance"). Bluewater's policy automatically covers misplaced, lost or stolen items.
- **Breakage coverage** – Breakage of fragile items may be excluded on your homeowner's policy but, you are automatically covered for breakage of fragile items.
- **Worldwide coverage** – Your pieces are protected if it's ever away from your home, and you are covered when purchasing abroad.
- **Expert claims service** – In case of a loss, rely on our expert network of conservators and restorers to help restore your piece.
