INSURANCE FOR THE GALLERY

As a Gallery owner, you play a key role in keeping the art community alive. We understand you have unique needs to protect your works of art during exhibits, shipping and more. At Bluewater, we offer a variety of insurance options to cover any gallery.

Because we breathe the world of collecting and share your enthusiasm, we're able to design a policy that perfectly aligns with your needs. With Bluewater, you get the specialized coverage you need, with personalized service you and your business deserve.

WHY CHOOSE BLUEWATER?

Policy features include:

- Inventory Value Coverage – Protecting the full value of owned inventory, loaned items & objects on consignment plus overhead of individual pieces
- Blank coverage options
- Additional coverage options – earthquake, fire, theft and more
- Art in transit worldwide (including shipping)
- Art show coverage
- Special events and liquor liability
- Art reference library
- Packing crates, catalogues, and brochures
- Transit by Land, Air or Boat
- Art in storage and multiple locations
- Off-premises Exhibitions
- Claims handled by people who specialize in protecting galleries

Why specialty insurance?

A typical Business Owner's Policy offers business liability and Actual Cash or Replacement Value for 'business property,' but this leaves your inventory exposed to depreciation of value without considering overhead cost or other exposures such as shipping, exhibitions, theft etc. At Bluewater, we properly secure the value of your entire inventory aligning with the unique needs of your gallery.
