

Cannabis Industry Program

Turn to our experts to navigate the insurance complexities of the cannabis industry.

Specific solutions for a complex industry.

With the everchanging rules and regulations around cannabis, you need an insurance partner who can help you navigate the risks in this dynamic industry. Breckenridge Insurance can tailor a coverage solution that fits a range of businesses serving this space, including those who sell, grow, manufacture or process products containing greater than 0.3% THC. With an AM Best A+ Rated carrier and the sound approach of experienced underwriting professionals, let us help you access fitting protection for this emerging industry.
