

Forging a new path.

Insurance for the Forest Products Industry.

Our company is centered around providing the coverage you need and the service you deserve. Whether you're a logger, a hauler, a manufacturer, or a distributor, we can put together a competitive and comprehensive insurance program so you can get back to business.

We are here to cover you every step of the way.

Our team will provide you with unmatched attention to detail, a superior level of service, and the confidence you will receive the most comprehensive and competitive coverage available, every time.

HARVESTING & LOGGING

We provide coverage for contractors who participate in both manual and mechanized cutting operations—including those who harvest, haul, and store timber and lumber related products.

TRANSPORTATION & HAULING

Transportation is a critical aspect of our nationwide forest products industry. Our transportation division works tirelessly to find coverage that fits your needs.

MANUFACTURING & DISTRIBUTION

Our manufacturing and distribution solutions include sawmills, veneer mills, pallet mills, plywood plants, wood preserving operations, drying operations, woodworking/millwork plants, and much more.
