Submit your info today and we'll get you a quote.

Program available to retail agents in all states except ND, OH, WA, and WY at this time.

Our Workers' Comp practice offers coverage to **contractors, healthcare businesses, retailers and auto dealers**—plus hundreds of other classes. Our partners include an **A.M. Best "A++" rated admitted** carrier and offer some of the most comprehensive coverage **without XMOD restrictions**.

GMI has over 43 years of experience insuring a wide variety of business classes and our workers' comp practice fits right in with our other coverages. We back up our great rates with **unique market relationships, exceptional service**, and more.

Submission Requirements

- GMI Workers' Comp Supplemental Application
- ACORD 130
- Five (5) years currently valued runs
- Two (2) years of MOD worksheets or five (5) years of payrolls (by class code)

Give us a call and we'll review your risk. We're happy to give you helpful feedback—even if we can't cover it.
