- Medical payments at \$5,000 included
- Deductible not required
- Excess or Umbrella limits up to \$25,000,000

### Property

- TIV in-house limits up to \$3,000,000 higher limits available
- Building, contents, business income, equipment breakdown, and outside signs coverages available
- Basic, broad or special form available
- Replacement cost or actual cash value

### Optional Coverages

- Inland Marine - Insureds' and their customers' personal property and equipment
- Crime
- Boat coverage

## Why Outfitters & Guides Insurance?

- Liability insurance for outfitters and guides is often required by law
- Helps clients stay in good standing with local landowners, the Forest Service, National Parks, and the Bureau of Land Management
- Guides conducting operations in back country are at a high risk and should carry a higher limit of liability than other business models

## Eligible Risks

- Outfitting operations that provide outdoor equipment and supplies
- We specialize in white water rafting guides and can write businesses rafting in class 4 rivers

Other guides we work with:

- Fishing
- Hunting
- Hiking and backpacking
- Cross-country skiing
- Canoeing and kayaking
- Mountain biking
- ...and MORE!

\*Coverage may not be available for all accounts or in all states
