PROFESSIONAL BIOGRAPHY

Graham has been in the insurance industry since 2005 and specializes in both Personal and Commercial insurance. Music and its influences on culture, fashion and art has always been a passion for him. This interest dovetails nicely with his specialization in insuring DJs, musicians, performers and the venues where they appear. Graham is a licensed California Property & Casualty agent, and is pursuing additional insurance credentials to enrich his knowledge.

NIGHTLIFE ENTERTAINMENT EXPERTISE

Momentous works with some of the most popular DJs in the business, including Grammy winners and Billboard Chart Toppers, helping them secure their assets by investing in sound risk management strategies. With our experience in the business, we make sure every DJ has the right protection.
