## *Risk Management Hotline*

Synergy Professional Associates is dedicated to establishing partnerships with Insureds that begin well before any of them face potential or actual malpractice claims. A fundamental component of fostering this relationship is providing policyholders with as many tools as possible ***to identify, assess, avoid and/or minimize the risks faced by professionals and their businesses.*** With these ideals in mind, Synergy has partnered with London Fischer LLP, a leading law firm with extensive experience in professional liability matters, to provide a free *Risk Management Hotline.*

**(800) xxx-xxxx** | [hotline@londonfischer.com](mailto:hotline@londonfischer.com)

The ***Hotline*** will provide expedited consultation with a law firm at the outset of any matter, providing assistance in determining whether the matter should be reported to the insurer while ***maximizing the opportunities for a favorable resolution.\**** As all calls to the ***Hotline*** are returned within 24 hours, ***Insureds are provided with an avenue to immediately assess a situation and take necessary action at the earliest possible time, significantly increasing the likelihood of a favorable outcome.*** The London Fischer attorneys monitoring and responding to the ***Hotline*** are a dedicated group of lawyers who specialize in insurance coverage and analysis, claim and risk management, and defense of professional liability matters. ***In addition to assisting when a problem has already arisen, the London Fischer attorneys are available for contract review and to provide best practices recommendations to help ensure the continued success of your law firm.***

*The Hotline is a resource for Insureds and is not a substitute for reporting claims. All claims must be reported using the procedures outlined in each Insured's policy. No Hotline communication will constitute notice of a claim or potential claim under any policy.*
