

Artisan Plus

About Artisan Plus

An extension of our Artisan Contractor program, Artisan Plus is a preferred, admitted product, designed to meet the needs of mid-sized trade contractors and remodeling contractors. With a target premium range of \$5,000 to \$75,000, Artisan Plus is changing the way agents market their construction accounts. Competing in a space dominated by E&S markets, you'll have the opportunity to bring your client a quality option on admitted paper. You retain control and higher commission with a direct relationship.
