

Towing Program

Trinity Underwriting Managers (TUMI) has designed an insurance program to cover professional, for-hire tow companies that also engage in approved ancillary operations such as auto repair, body shop, salvage, storage, gas sales and more. AAA contracts and police rotations will be considered. A solid package of coverage is available for both small and large fleet accounts. TUMI has been underwriting tow business since 2008 and has a unique understanding of this specialty class.
