

# Exclusive Cannabis Program

With more than 20 years of experience in the nutraceutical space, Worldwide Facilities' NutraRisk is the recognized leader in delivering insurance products for dietary supplements, CBD, vitamins, health, nutrition and naturalist products. The expansion into regulated cannabis is a natural progression of our continued commitment to our core institutional strengths. NutraRisk offers General, Product and Excess Liability Coverage for Medicinal and Recreational cannabis operations in all states. This exclusive program is offered through a highly regarded A XIII carrier.
